

## Veterinary Medicine Selection Process 2023 entry

The RVC receives in excess of 1900 applications each year for approximately 250 places on our D100, D101 and D102 courses. We are committed to selecting our students using fair and transparent processes. As the majority of our applicants meet or exceed our academic entry requirements, we have developed selection methods

not a fixed number therefore it is not possible to advise applicants of a total score needed to be invited to interview. This allows our system to be flexible, depending on the calibre of applicants
